

## Austrian Open - Bulletin

Dear athletes, dear trainers!

Due to the numerous registrations we achieved a high number of competitors. We hope to manage this championship well with the help of mutual cooperation. In this regard, a couple of important information follows:

- ✓ We are kindly asking you to cross check if the athletes you registered are indeed competing at the championship. If not, please erase their registration, in order to allow other interested athletes to register.
- ✓ Also, as the number of competitors is limited, and the waiting list long, we are kindly asking you to cross check your registrations for duplicates. Please erase any double registrations made by mistake, and register each competitor only once.
- ✓ As we would like to maintain the high rating of the Austrian Open, we are accepting only competitors holding the 2. Kup or higher. Please keep this in mind when registering your athletes. Registered competitors holding the 3. Kup or lower will be erased from our side.
- ✓ All registered competitors and coaches must submit their GAL number and upload a photo at the TPSS website.
- ✓ We are kindly asking all competitors to pay the registration fee latest until April 30th, 2014. Please be warned that the competitors who fail to do so will be automatically erased from the registration list.

We are looking forward to seeing you in Innsbruck!

Kind Regards!
